PROFESSIONAL SUMMARY

Physically resilient and technically minded professional with a strong foundation in heavy-duty operations and infrastructure maintenance. Leveraging Technical Matric in Power Systems, I offer a disciplined approach to safety protocols and a proven track record of thriving in labor-intensive environments. I am eager to transition my technical aptitude into the Value Group Learnership, where I aim to apply my problem-solving skills and work ethic to optimize Logistics and Supply Chain operations. Committed to gaining an Occupational Qualification while contributing to the seamless movement of goods and operational excellence.

EDUCATION

National Senior Certificate (Matric) | Masisebenze Comprehensive School

- Electrical Technology (Power Systems): 40%
- Technical Mathematics: 40%
- Engineering Graphic and Design (EGD): 40%
- English First Additional Language: 50%

Completed, Nov 2022

WORK EXPERIENCE

F&J Electricals Mar 2025 – Oct 2025

Electrical Cable Installation Technician

- Cable Installation:** Performed trenching and groundwork for the installation of high-quality underground electrical cables.
- Routing & Conduits:** Installed electrical conduits and cable routes according to specific site plans and engineering drawings.
- Technical Assistance:** Assisted qualified electricians in laying, securing, and protecting electrical cables for large-scale residential and commercial projects.
- Safety & Compliance:** Strictly followed electrical safety regulations (HSE), tool handling procedures, and site-specific instructions to ensure a zero-incident environment. **Site Restoration:** Responsible for backfilling trenches and restoring work areas to professional standards upon project completion.
- Collaboration:** Worked closely with supervisors and trade professionals to meet tight project deadlines in fast-paced environments.

TECHNICAL & PERSONAL SKILLS

- **Technical:** Cable installation, trenching, conduit routing, reading site plans, and manual tool handling.
- **Safety:** Knowledge of Electrical Safety Regulations, hazard identification, and use of Personal Protective Equipment (PPE).
- **Core Strengths:** Hardworking and physically fit for mining environments, dependable, and a fast learner of technical systems.
- **Communication:** Fluent in English; able to follow complex verbal and written technical instructions.

INTERESTS

Technical personal development, team sports (soccer), volunteering, and understanding mining technology.
